This page is one of the *Public Domain Help Pages*, which can be freely copied into fresh wiki installations and/or distributed with Foresight Wiki software; see [Help:Contents](#) for an overview of all pages.

New pages is a special page that lists recently created pages in reverse order of creation, with creation date and time, current size, user who created the page, and first edit summary. It also provides links to patrol these new pages when that feature is enabled.

This feature is accessible at [Special:NewPages](#). The page results are not adjustable in the [Preferences](#).

Transclusion

This special page can be [transcluded](#), with the first unnamed parameter specifying how many entries should be displayed.
