

Talk:Participatory_nature_of_Foresight

Contributors: Liviu Adrian Ticu, Alexandra Nita, Elena Patru

Hello Alexandra, I will try to extract the most relevant aspects regarding the theories and characteristics of participation in the foresight exercise, from the provided case studies and other web sources.

Hey Liviu, I, in turn, want to present the information you have gathered schematically in a more coherent way, as well as to give some insight into the dilemmas that arise when trying to develop a foresight exercise that involves participation.
