[\[edit\]](#) [\[purge\]](#) [Template documentation](#)

This documentation transcluded from Template:Hidden infoboxes/doc ([edit](#) | [history](#))

Usage

This template is a shortcut to format {{[hidden](#)}} for infoboxes on talk pages.

usage: {{hidden infoboxes|info=}} (add any templates and meta-information between the '=' and '}}').

Example

{{Hidden infoboxes|Title|Text context}}

produces

Title

Text context
