

Usage

Intended for use on Foresight Wiki Projects that have been merged into another Project.

Usage:

```
{{merged-project-to | project | discussion page}}
```

Example

- **{{merged-project-to |foo}}** -- displays message that the project was merged into *foo*, and the discussion should be opened at *foo*.
- **{{merged-project-to |foo |bar}}** -- displays message that the project was merged into *foo*, and the discussion should be opened at *bar*.
