

This template may be placed at the top of the main page of a WikiProject, to clearly identify the page as such; thus replacing the default boilerplate text that many WikiProjects use, so that the introductory paragraph may have a more customized message.

Usage

{{Project}}

Examples

{{Project}}

produces

This is a Foresight Wiki Project, a collaboration area and open group of editors dedicated to improving Foresight Wiki's coverage of a particular topic, or to organizing some internal Foresight Wiki process.
